

Register of Physiotherapists December 31, 2009

The Bermuda Board of Physiotherapy wishes to advise the public that ONLY physiotherapists/physical therapists registered with Council for Allied Health Professions in Bermuda can practice Physiotherapy.

Physiotherapists are required by law to re-register every 2 years and must maintain professional competency through continuing education. Registration must be current and a valid registration should be displayed at the workplace. Practitioners currently registered are listed below.

Enquiries can be directed to the Registrar of the Council for Allied Health Professions at 278-4921.
